

School of Interdisciplinary Studies

Education (BA, BS)

UT Dallas offers both a Bachelor of Arts in Education degree (BAED) and a Bachelor of Science in Education degree (BSED) through the School of Interdisciplinary Studies. Each degree emphasizes a broader understanding and wider perspective of the field of education. Becoming a teacher takes preparation and planning. To ensure the highest professional standards, the state of Texas and The University of Texas at Dallas require students to pass a series of rigorous courses, complete extensive fieldwork and demonstrate their knowledge of content and educational expertise on state licensure exams to become fully certified as a highly qualified teacher in Texas. The Teacher Development Center (TDC) at UT Dallas offers all the preparation courses required for teacher certification, including practical classes in curriculum and instruction, educational technology, and classroom management. The TDC interfaces and engages with all academic schools at UT Dallas, as well as 22 area school districts, to assist students as they progress through the Teacher Certification Program.

The UTeach Dallas certification is also compatible with 4-8 Mathematics Education and 4-8 Science Education Degrees.

All BAED and BSED students are required to select a certification focus before their junior year.

BA certification tracks include:

Early Childhood-Grade 6

- [EC-6 Core Subjects](#)

Grades 4-8

- [4-8 Core Subjects](#)
- [4-8 English, Language Arts and Reading \(ELAR\)](#)
- [4-8 Science](#)
- [4-8 Social Studies](#)

Grades 7-12

- [7-12 Social Studies with a concentration in Economics](#)
- [7-12 Social Studies with a concentration in Geography](#)
- [7-12 Social Studies with a concentration in Government](#)
- [7-12 Social Studies with a concentration in History](#)

BS certification tracks include:

Grades 4-8

- [4-8 Mathematics](#)
- [4-8 Science](#)

Grades 4-8 with UTeach/School of Natural Sciences and Mathematics Option:

- [4-8 Mathematics](#)
- [4-8 Science](#)

Bachelor of Arts in Education with EC-6 Core Subjects

[Degree Requirements](#) (120 semester credit hours)¹

Guided Electives (11 semester credit hours)

3 semester credit hours of upper-level Mathematics or Science courses (see advisor)

[BIS 1100](#) Interdisciplinary Studies First Year Experience¹

[UNIV 1010](#) Comets to the Core Pre-Assessment¹

Both lower- and upper-division courses may count as electives to fulfill remaining requirements.

The plan must include sufficient upper-division courses to total 45 upper-division semester credit hours.

1. Incoming freshmen must enroll and complete requirements of UNIV 1010 and the corresponding school-related freshman seminar course. Students, including transfer students, who complete their core curriculum at UT Dallas must take UNIV 2020.
2. Curriculum Requirements can be fulfilled by other approved courses from institutions of higher education. The courses listed are recommended as the most efficient way to satisfy both Core Curriculum and Major Requirements at UT Dallas.
3. Students are strongly encouraged to take core courses that are closely related to their foundations, concentrations, and career goals.
4. A required Major course that also fulfills a Core Curriculum requirement. Semester credit hours may be counted in Core Curriculum.
5. Indicates a prerequisite class that may be required before enrolling for upper-division classes.
6. Three semester credit hours of Calculus to be used to fulfill Core Requirement with the remaining one semester credit hour to be counted in Guided Electives.
7. Requires enrollment in corequisite lab course. Lab semester credit hours to be counted in Guided Electives.
8. Requires enrollment in corequisite lab course GEOS 1103. Lab semester credit hours to be counted in Guided Electives.
9. Requires enrollment in corequisite lab course GEOS 1104. Lab semester credit hours to be

counted in Guided Electives.

10. Preferred course for 7-12 Social Studies (Economics Concentration).
