III. Elective Requirements: 9 semester credit hours

Free Electives: 9 semester credit hours

Both lower- and upper-division courses may count as electives.

The plan must include sufficient upper-division courses to total 45 upper-division semester credit hours.

1. Incoming freshmen must enroll and complete requirements of UNIV 1010 and the corresponding school-related freshman seminar course. Students, including transfer students, who complete their core curriculum at UT Dallas must take UNIV 2020.

2. Curriculum Requirements can be fulfilled by other approved courses from institutions of higher education. The courses listed are recommended as the most efficient way to satisfy both Core Curriculum and Major Requirements at UT Dallas.
3. Indicates a prerequisite class to be completed before enrolling for upper-division classes.
4. A required Major course that also fulfills a Core Curriculum requirement. Semester credit hours are counted in Core Curriculum.
5. MATH 1325 is required for all JSOM undergraduate students. Students may elect to substitute MATH 2413 or MATH 2417 for MATH 1325.
6. To make timely degree progress, students should complete MATH 1325 or its equivalent by the end of their first semester at UT Dallas. Students who will not meet this requirement should contact their academic advisor to discuss their degree timeline.
7. Certain courses listed are prerequisites for major core, major concentration, or major related courses. Choose accordingly.
8. JSOM first-time-in-college freshmen are required to take BCOM 1300 in their first semester. Transfer students and students new to JSOM are required to take BCOM 3300 in their first semester.
9. The Honors Program Seminar is only required for students in the Healthcare Management Honors Program.
10. Students who are employed in full-time jobs may fulfill their internship requirement with their current employer as a special project with preapproval from their program director.
