Visual and Performing Arts (BA) with Music Concentration

Students who complete the major in Visual and Performing Arts (VPA) pursue an interdisciplinary study of the arts by completing a major core that includes courses in writing, interdisciplinary studies, professional development, historical context, theory, and practice. The VPA major culminates in a Senior Capstone. Students who are majoring in VPA can focus their studies by choosing from nine possible concentrations.

The Music concentration allows students to develop a strong musical background through private study of their primary instrument or voice, along with music theory, composition/digital music, and history/literature. Opportunities to perform include solo performance, chamber music and large ensembles. Ensembles are available for voice, guitar, strings, winds, percussion, mixed chamber groups, and orchestra.

At least one-half of the total semester credit hours for major requirements must be taken at UT Dallas.

Unless otherwise noted, courses in Visual and Performing Arts are open to all students in the University.
