Global Business and Marketing (Double Major) (BS)

Bachelor of Science in Global Business and Marketing (Double Major)

[Degree Requirements](#) (121 semester credit hours)

The Bachelor of Science in Global Business (BS GB) and Bachelor of Science in Marketing (BS MKT) double major is a minimum 121 semester credit hours degree program that prepares students to address marketing issues in global markets. The program emphasizes building key skills and competencies of global marketing professionals such as cross-cultural communication, market research, and digital marketing. Students also gain analytical decision-making and problem-solving skills through real-life consulting and global supply chain projects, and internships.

An international experience¹ is required for all Global Business majors. Also, students are encouraged to complete up to 6 semester credit hours in a foreign language.

[OPRE 3330](#) Project Management^{[6](#)}

The plan must include sufficient upper-division courses to total 45 upper-division semester credit hours.

1. Global Business majors may complete their international experience with any of the following: a semester studying abroad, with at least 9 semester credit hours applicable to their major (NOTE: study abroad courses are subject to a pre-approval process to ensure transferability to their major); A JSOM faculty-led international trip course ("Regional Management Area Studies"); or an international internship (IMS 4090 or IMS 4V90) approved and verified by the BS GLBS program director to fulfill the international experience.

2. Indicates a prerequisite class to be completed before enrolling for upper-division classes.

3. A required Major course that also fulfills a Core Curriculum requirement. Semester credit hours are counted in Core Curriculum.

4. Students may fulfill the internship requirement with IMS 4090 or IMS 4V90 (1-3 semester credit hours). The zero semester credit hour course IMS 4090 is recommended as the most efficient way to satisfy this requirement. Double major students are recommended to complete IMS 4090 or IMS 4V90 to satisfy both internship and international experience requirements.

5. Students may fulfill the community engagement requirement with BA 4095, BPS 4396, ENTP 4340, IMS 4335, MKT 4360, or OPRE 4391. The zero semester credit hour course BA 4095 is recommended as the most efficient way to satisfy this requirement.

6. Course can fulfill a guided elective if not used in Major Related Core or elsewhere on the student's degree plan.
