Global Business and Human Resource Management (Double Major) (BS)

Bachelor of Science in Global Business and Human Resource Management (Double Major)

[Degree Requirements](#) (121 semester credit hours)

The Bachelor of Science in Global Business (BS GB) and Bachelor of Science in Human Resource Management (BS HRM) double major is a minimum 121 semester credit hours degree program that prepares students to address human resource issues in global markets. The program emphasizes building key skills and competencies of HR professionals working with global talent and mobility such as cross-cultural communication, recruitment and selection for global projects as well as understanding foreign employment laws. Students also gain analytical decision-making and problem-solving skills through real-life HR consulting and global mobility projects, and internships.

An international experience¹ is required for all Global Business majors. Also, students are encouraged to complete up to 6 hours in a foreign language.

The plan must include sufficient upper-division courses to total 45 upper-division semester credit hours.

1. Global Business majors may complete their international experience with any of the following: a semester studying abroad, with at least 9 semester credit hours applicable to their major (NOTE: study abroad courses are subject to a pre-approval process to ensure transferability to their

major); A faculty-led international trip course ("Regional Management Area Studies"); or an international internship (IMS 4090 or IMS 4V90) approved and verified by the BS GLBS Program Director to fulfill the international experience.

2. Indicates a prerequisite class to be completed before enrolling for upper-division classes.

3. A required Major course that also fulfills a Core Curriculum requirement. Semester credit hours are counted in Core Curriculum.

4. Students may use CS 3341, ENGR, 3341, SE 3341, STAT 3341, STAT 2332, STAT 3355, STAT 3360, or STAT 4351 as a substitute for OPRE 3360.

5. Students may fulfill the internship requirement with IMS 4090 or IMS 4V90 (1-3 semester credit hours). The zero-semester credit hour course IMS 4090 is recommended as the most efficient way to satisfy this requirement. Double major students are recommended to complete IMS 4090 or IMS 4V90 to satisfy both internship and international experience requirements. If the variable credit internship engagement option is taken, semester credit hours apply as free elective credit towards degree requirements.

6. Students may fulfill the community engagement requirement with BA 4095, ENTP 4340, or IMS 4335. The zero-semester credit hour course BA 4095 is recommended as the most efficient way to satisfy this requirement. If the variable credit community engagement option is taken, semester credit hours apply as free elective credit towards degree requirements.

7. This course can fulfill elective credit if not used in major related core, or elsewhere on degree plan.
